

A True Leaders Creed

I am committed to being a True Leader

That's it from this day forward.

My choice is irreversible.

I fear not the unknown.

I will do whatever it takes.

I won't look back, let up, slow down, or back away.

I am finished and done with average living, small planning, fruitless dreams, wishful thinking, small talk, chintzy giving, and dwarfed goals.

I cannot be bought, compromised, detoured, lured away, turned back, diluted, or delayed.

I will stand firm and hold my ground in the face of sacrifice, not hesitate in the presence of challenges, not back down on the field of battle or allow popularity to interfere with my purpose.

I will set the example, be the example and lead by example.

I will not look left, nor will I look right, for I will always look up.

I will never settle for less than the best that I am.

My integrity and honesty will never be compromised.

I will be true to my own convictions, whistle my own tune through my own lips and march to the sound of my own drums.

I have committed to being....a true leader.
