Print out “RE9 Instructions to Include in DropKit” on site and place in bag (Hard laminate after you print 2 sided) shows morning and evening usage!

Print from our site “Why Arbonne” and include your contact info/business card

How to Use:

We recommend to have at least 2-4 testers in rotation at all times in your biz!

You can use the “25 Jumpstart Calls” AND your parties/presentations/events for your “drop off” network.

This tester kit should be given for 3-5 days only!

You can do your “drops” at numerous locations! BE CREATIVE! For example-work, homes, coffee shops, kid’s games, church, school, etc.!

Keep the verbiage SHORT AND SIMPLE when dropping...5 minutes or less! The instructions on usage are in the bag already on the printed laminated card!

You can also throw in maybe 1-2 other FAVORITE products of your own...holiday products are great to use during the 4th quarter of biz!

You may also include a generic flyer with a seasonal or monthly special you are running AND/OR an invite with multiple dates for an upcoming party or event you’re hosting!

Make sure when you drop your tester kit off...Schedule a TIME AND DATE when you will be picking it up! One tester kit should be working for you 4-5 times a MONTH!
