

Basic How to TEXT or Call to invite about Nutrition

You can always add your personality, add if there is a special promotion or prize or customize it around a certain holiday ex: getting clean after the summer madness....

If you are personally doing this round:

Hey(friend)!!!

I'm super pumped getting ready for our next detox challenge we are starting, and I wanted to see if you wanted to do it with me!!! It's super delicious, simple, so much accountability, recipes and everything is laid out! It would be so (fun/great) to do it together!!! If I sent you a quick video would you watch it?

Or if you are just inviting to this round but not doing the challenge:

Hey(friend)!!!

I'm super pumped getting ready for our next detox challenge we are starting, and I wanted to see if you wanted to do it too!!! It's super delicious, simple, so much accountability, recipes and everything is laid out! It would be so (fun/great) to get to coach you, since I have had such amazing results myself!! If I sent you a quick video would you watch it?

If they say yes, then send this...

video: <https://m.youtube.com/watch?feature=youtu.be&v=a46wvtl98yQ>

The video is only about 8 mins. Can I touch base with you right after or is tonight better?

ALWAYS nail down a time in which I'm going to follow up with them.

Here is how to be successful:

- 1) ASK
- 2) Give them this video
- 3) FOLLOW UP
- 4) Share the ASVP Packages at PC and Consultant and get them set up 🔥

BOOM DONE!
